**BANGALORE:** The Common Admission Test (CAT) 2009 for management course concluded on Tuesday even as some of the candidates, who were unable to take the examination due to technical problems, are awaiting the announcement of a new date for the test.

Of the 2,41,582 candidates registered for the test in the country, 1.87 lakh took the test as on December 6.

Prometric, the agency that conducted the test for the Indian Institutes of Managements, is in the process of finalising the date for those who could not take the test during these past 11 days.
